Dear Sir:

The Information Disclosure Statement submitted with the above-referenced application on February 27, 2004 incorrectly stated the title of the invention as "VARIABLE FILTER-BASED OPTICAL SPECTROMETER". The correct title for that Information Disclosure Statement is "DICHROIC NEUTRAL DENSITY OPTICAL FILTER". Please contact the undersigned if you have any questions or if further action is required to insure that the eleven references cited in the Information Disclosure Statement are considered by the examiner prior to the first substantive Office action.

Respectfully Submitted
